

TUMOR MARKERS

*A level of **Precision** and **Reliability**
that allows you to monitor cancer
with complete **Peace-of-mind***

BIOMÉRIEUX

■ Complete range

The VIDAS® range of tumor markers offers you a rapid, automated, and reliable solution to meet all your clinicians' main requirements.

■ Standardization

Our equimolar TPSA kit, calibrated against the STANFORD standard, and our CA range ensure you work with tests which benefit from internationally recognized techniques.

■ Reliability

- Sensitivity levels which ensure you obtain reliable results, even at low concentrations.
- The level of quality for VIDAS tests is regularly checked through external quality control surveys.
- VIDAS continuously performs a large number of self-tests to ensure a consistent level of quality.
