and Enhancements

Ritter®
by MIDMARK

ements

Create the complete suite of your

choice, beginning with the Ritter 104 Examination Table. The 104, the table that's right for

virtually every practice or facility, is made even more versatile with your selection of physician

stools, sterilizers, lights and more — for the exam room or lab.

Economically priced, loaded with useful features and great looking, too, the 104 is your

first step toward a wise investment in versatile, durable Ritter products.

104 & Enhance

Ritter M9 UltraClave™ Automatic Sterilizer

The one with the door that opens automatically! Simply load your instruments into the sterilizer's 9" x 15" chamber, choose your cycle, press "Start" and once sterilization is complete... the door opens automatically to dissipate steam and dry your instruments. Fast... easy... dependable.

Ritter 125 Air Lift Stool

Looking for seating that can take a beating? Thanks to the 125's five-caster base, you can sit on the edge of the seat, roll around the room and never tip. For a closer look at the 125, and the other thirteen comfortable... supportive... attractive and durable physicians' stools, see the Ritter Seating Brochure.

Ritter 152 Halogen Light

The new Ritter 152 Halogen Light is just what you've been looking for. Get the quality lighting you need, at a price you can afford. The 152 light comes with an optional caster base which is sturdy, yet easy to attach to the base. The flexible gooseneck is covered in durable vinyl for easy cleaning. And, the 152 is designed to remain cool to the touch. The 152 Halogen Light provides a color temperature that's closer to natural daylight. Ritter 152 is the economical solution to all your lighting needs.

placements

Ritter 420 Side Chair

Ritter 165 Blood Drawing Chair

Comfortable, attractive, stable seating for your patients. The easy-to-clean 420 Side Chair (shown above) is available with or without arms. Also shown is the 165 Blood Drawing Chair with a cushioned seat and all steel construction. The 165 accommodates a range of patients with a large 19½" span between the chair's arms. Padded arms lock in incremental positions and feature an easy to reach quick release mechanism which, when locked, keeps patients secure. An optional 4½" deep drawer stores supplies such as blood collection vials.

Ritter 344 Dressing Nook

Give your patients privacy they'll appreciate... and luxury they'll talk about with the Ritter 344 Dressing Nook. When opened, it's a mirrored dressing area with storage for personal items and clothing; closed, it appears as a color-coordinated wall panel.

Ritter 135 Biohazardous Waste Receiver

Made of tough polyethylene, the Ritter 135 Biohazardous Waste Receiver accommodates OSHA requirements for waste disposal when used with OSHA approved biohazard bags. A special retaining ring is included to ensure bags stay in place.

Ritter 340 Treatment Cabinet

The Ritter 340 Treatment Cabinet, just one member of the complete family of Ritter stationary and mobile carts, keeps equipment and disposables at your fingertips. Its clinical design ensures convenience and makes it easy to clean and sanitize to prevent cross-contamination.

Ritter 9067 Instrument Panel

The Ritter 9067 Instrument Panel is shown below with the Welch Allyn® Integrated Diagnostic System housing your most commonly used instruments in one convenient location and is available in all standard Ritter colors to coordinate with our full line of Ritter products.

Ritter Refrigeration Products

Ritter Refrigeration Products feature commercial-grade compressors to meet current standards. All Ritter models are fitted with laminate door panels for a coordinated look.

Ritter 104 Examination Table

104 Features

Patient positioning is easy with the Ritter 104 Examination Table. Its spring-assisted backrest means you don't have to pull or lift patients into position. Hide-away stirrups pull out and lock in numerous positions. The 104's versatility is further enhanced with an electrical receptacle, non-skid locking footstep and five large drawers for storage. Select from among numerous accessories like pelvic tilt, stainless steel irrigation pan or knee crutches to customize your 104. Steel construction makes the 104 durable for years of service. Add to that its good looks and economical price, and the Ritter 104 is one smart investment.
